## 1. Party Cinderella

Once upon a time there was a girl, living in a family with her two sisters. She was very unhappy because the father was dead and her mother was unfriendly to her. One day her sister Anna was listening to the radio. On the radio there was an invitation to a techno party. The sisters - with the mum - went to the party and Cinderella had to recycle the rubbish.

Suddenly Britney Spears came, "I help you." And then she made a new limousine out of a Big Mac and out of an old carpet she made clothes (t-shirt - D&G), trousers (Lee) and shoes. Then she told Cinderella to come back at 6:00 a.m. So Cinderella went to the party.

At the party she met the best DJ in the world (long blond hair, blue eyes, muscular and small bottom). She fell in love. The time flew very fast. At 5:45 a.m. the limousine came. She ran to it. She lost her adio shoe.

When she came back home, she could not believe her eyes- the DJ was waiting at the door with the adio shoe in his hand. He looked at her and sad: "I think you have lost something". She put her arms around his neck and kissed him.

Twelve years later

"Be quiet and listen, I must go to the town for some food." "Can we go with you? Please," the pigs asked. "No, you must be at home and do what I tell you," said the old mother. "Don't open the door to anybody," shouted the children. So the mum went out and locked the door. One mile away a wolf smelled a pig.

An hour later he was behind the house of the pigs, but he was old and tired. He lay in the hay and fell asleep. When he woke up there was blackness all around him. "Oh night," he said and wanted to stand up. But there was a ceiling over him. He was in a coffin. "Oh sh\*\*, I'm in a coffin." There were sounds all around him. "Oh he's awake. Throw him into the hole." And there was only a big "THUD!" when the coffin fell into the hole. And a sound when the ground fell on a coffin. "No please no," shouted the wolf. No, there was no way out. Three lil' pigs went home and did not say anything. In the door the oldest pig said, "Now the killer of our father is dead and we can go and eat."
